Many of you know that Erik Landing was diagnosed with colon cancer and continues to battle it to this day. Rob Saffin, the general manager of Coca-Cola for this area and Erik's boss, is promoting a fund raiser for the Landing family to help with the expenses they are procuring. It is an "I AM Strong" Golf Outing where all the proceeds will go directly to the Landing Family to help with their medical bills and other expenses.

You are invited to participate in this 4-person golf scramble or donating a prize/gift certificate to the event. You may also sponsor a hole for \$100 and your name will be placed prominently at the tee box at the start of a hole.

The location is the Dayton Community Golf Course, 2917 Berkley Street, Dayton, Ohio 45409. The time is 7:30 – 8:30 Registration and breakfast; 8:30 is the Shotgun Start, and 1:15 is lunch at the clubhouse. There are 1st & 2nd Place prizes, prizes for the closest to the pin and longest drive and a 50/50 raffle. The cost is \$75 per Golfer (includes 18 holes, golf cart, breakfast, hot lunch and non-alcoholic beverages) If you just want to come for lunch the cost is \$15.

If you are interested in forming a team, please contact the church office for a registration form. All registration forms are due in by Friday October 1st. Return the form to Rob Saffin: 1000 Coca Cola Blvd., Huber Heights, OH 45424.

Your friend and pastor, Greg King

“Church Baby Needs”

We recently became aware of the need for some baby care items for the Sunday nursery and to assist families, during dinners here at the church.

We are looking for a pac-n-play crib or portable crib for the nursery to lay sleeping babies down in on Sundays, especially. And, also a folding high chair or two would also come in handy at church dinner functions. So if anyone has a nice used crib or high chair that they might donate to the church, please let the office know, thank you.

The primary importance in Worship— nourishing thoughts

One of the greatest discoveries on my Christian pilgrimage has come with the realization that the primary importance in worship is not what I do, but what God is doing. In worship, God is present, speaking to me and acting upon me. It is in worship that God feeds, nourishes and cares for me. And it is in worship that he give me his grace, surrounds me with his love, lifts me into his arms, affirms me as a member of his community, and sends me forth into the world with a fresh vision of his work and a new concern to live for him. - Robert Webber, from “Worship Is a Verb”

Rally day was Adventurous from start to finish.

We began the morning by visiting with a scorpion, two snakes, a spider, and two chinchillas. The pet owners shared many interesting facts, and the children asked many interesting questions about the animals. 40 adults and youth attended this special event, thank you Lisa Ybarbo & Barb LeBlanc for the good start to the day.

Followed by the 10:45 worship hour and a delicious carry-in lunch. No one went home hungry, thank you Kelley, Brian and all the lunch volunteers and donors.

Then the Amazing Race began at 1:30 pm. It really is a puzzle solving event. You have to solve clues and riddles to work your way through the race from location to location.

Our first place winning team was Carol Landing and family. This is Carol's team's second consecutive win. They really know our Kettering community and how to solve the clues. Everyone had a fun time. Thank you to Jamie Medlin, Ashley Steinbrunner, Sasha Taylor and the Recreation Committee for this really fun event.

Calling all young musicians

I have fallen behind on capturing all the new talent in our church. I am asking for the musicians (or their sharing parents) to let me know who is playing what instrument. I would like to supply the congregation new songs with these musicians each month. Either capture me at church or shoot me an email (Jacquie-fisher@sbcglobal.net). Musically yours, Jacquie

The Social Action committee is pleased to present to the congregation the opportunity to support the CROP WALK on Sunday, October 3. Church World Service is a multi-denominational organization that partners with indigenous organizations to provide long term and emergency support to people around the world. Twenty-five percent of the collections from the Dayton area walk support our local food bank, a supplier to Greenmont's own food pantry. There are 600 walks nation-wide feeding 3,500 food banks.

An exciting CWS project underway internationally is the development and use of bio-sand filters to provide clean and accessible water to villages. A bio-sand filter is like a giant concrete pitcher that filters water through gravel and sand to purify it. A \$20 donation can provide a filter that can serve an entire village. When possible, the materials are locally harvested and workers are indigenous to the village which stimulates the local economy. Once operational, the effective, inexpensive and efficient access to water decreases the incidents of disease, decreases the amount of time spent transporting clean water and subsequently increases the time children can spend in school.

The walk itself is Sunday afternoon starting at Island Metropark and traveling along the bike path. The official turnaround point is at the Siebenthaler Bridge water station, but walkers are invited to walk the distance that is most comfortable. Please consider supporting this effort by either walking, sponsoring a walker and/or praying for all Church World Service projects and service receivers.
