UCC congregations are involved with mission in many ways. In the United Church of Christ, we affirm that, although the congregation is the fundamental unit of mission, mission is not just local. We are connected to one another, across boundaries of neighborhood, class, race, and national border.

Our Church's Wider Mission is the name we use to describe the work we do and financial support we give as the United Church of Christ beyond the local church—through our Associations, Conferences, national ministries, and UCC-related institutions to provide broader mission work.

Congregations are central to the ability of The United Church of Christ to do mission in local communities, within the United States and internationally. As a congregation works in its own community, it is a representative of the entire denomination and embodies the UCC in that place. And when a congregation determines its giving to Our Church's Wider Mission, there is a direct impact on levels of funding for the Associations, Conference and national ministries.

Our Church's Wider Mission, often referred to simply as OCWM, has two parts: OCWM Basic Support and OCWM Special Support.

Our Church's Wider Mission Basic Support provides funding for the work of UCC Conferences and for the work of the UCC's national ministries. Each congregation decides how much of its members' financial support it will contribute to Our Church's Wider Mission Basic Support. Congregations send their OCWM gifts to the Association or Conference. Each Association or Conference decides what percentage of those gifts to keep for the work of that particular Association or Conference, and what percentage it will send to the national setting of the UCC. Some of the National Basic Support money is used for ministries to Associations, Conferences, local churches and members, as well as for ecumenical, prophetic and missionary ministries on behalf of the UCC. Below shows how our OCWM monies are allocated at the national level:

BASIC SUPPORT dollars are allocated:

Global Mission 30%	Ministries to Local Churches 17%	Justice Ministries 14%
Retiree Pension Supplementation 13%	Communication & Interpretation 7%	
Offices of Executive Ministers 6%	General Administration 6%	
Governance 4%	Research 1%	Covenantal Relations 2%

Special Support

Our Church's Wider Mission Special Support comprises gifts to the four Special Mission Offerings in the United Church of Christ, per capita dues, and gifts that are specially designated for the Conference, national setting or UCC-related institutions. By mandate of the General Synod, each local church receives promotional material for the four Special Mission Offerings:

One Great Hour of Sharing: Giving Help, Hope and Life
Supports partners in more than 70 countries with ministries that fund development projects, feed the victims of famine, provide services for displaced people, and respond to natural disasters. These ministries are the responsibility of Wider

"Dear Greenmont– Oak Park Church",

Thank you very much for your recent donation of \$100 to the Frontier Nursing Service Foundation. Mary Breckinridge envisioned a demonstration that could be replicated in other rural and underserved areas of the country and world. It is through your support that the Frontier School of Midwifery and Family Nursing (FSMFN) is able to fulfill this vision.

Today, FSMFN has over 1,000 students, representing all fifty states and many foreign countries. Over 60% of our students reside in rural counties and over 70% in health professional shortage areas. We are proud to impart upon every FSMFN student our long, rich history and mission to serve those in rural and underserved areas.

Your generous gift supports a strong faculty and staff, a vibrant and bustling campus, myriad technologies utilized to deliver the curriculum and the funds to sustain our national headquarters at Wendover, Ky. We appreciate your commitment to Frontier.

Sincerely, AnnDraia Bales

Development Secretary
